Flexible affiliate
structures

Hybrid Affiliate
Program

The Revenue Share program yields the highest possible remuneration in the market:

70%
Revenue share

10%
Sub-partner's profit

How Does it work?

01 Refer clients

Register as a partner with LiteFinance and start using your individual affiliate link to refer new clients. All the marketing materials available inside the Partner's cabinet.

02 Clients start Trading

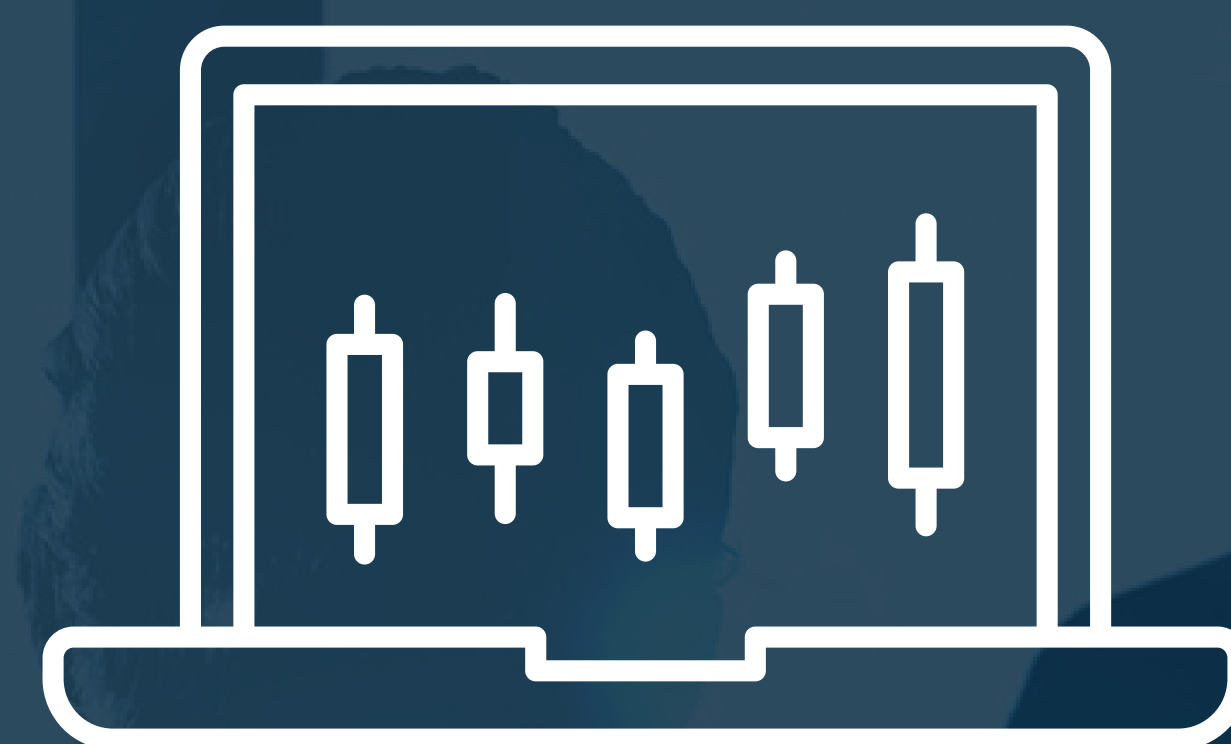

Clients use the link, make a deposit and start trading using all the advantages of our platform, including all promotions and outstanding trading conditions.

03 Receive your remuneration

Your Affiliate remuneration is automatically credited to your Main account for all closed trades for the previous day on daily basis.

Example of remuneration for Default Revenue share program:

10 clients

Trade 10 lots

Earn \$1400

You have referred **10 clients**, each traded **10 lots EURUSD** on **Classic account**.
Thus, the total remuneration is calculated as below:

$$(10 * 10 * 20) * 0.7 = 1400 \text{ USD}$$

Number of clients Total volume Broker revenue Revenue share Your profit

Multi-Level system for Default Revenue share program

Earn **10%** of sub-partner's profit

When your referral registers in the affiliate program, she gets the status of sub-partner, who has his own affiliate link too, and you in your turn begin to get additional 10% of income from his commission reward.

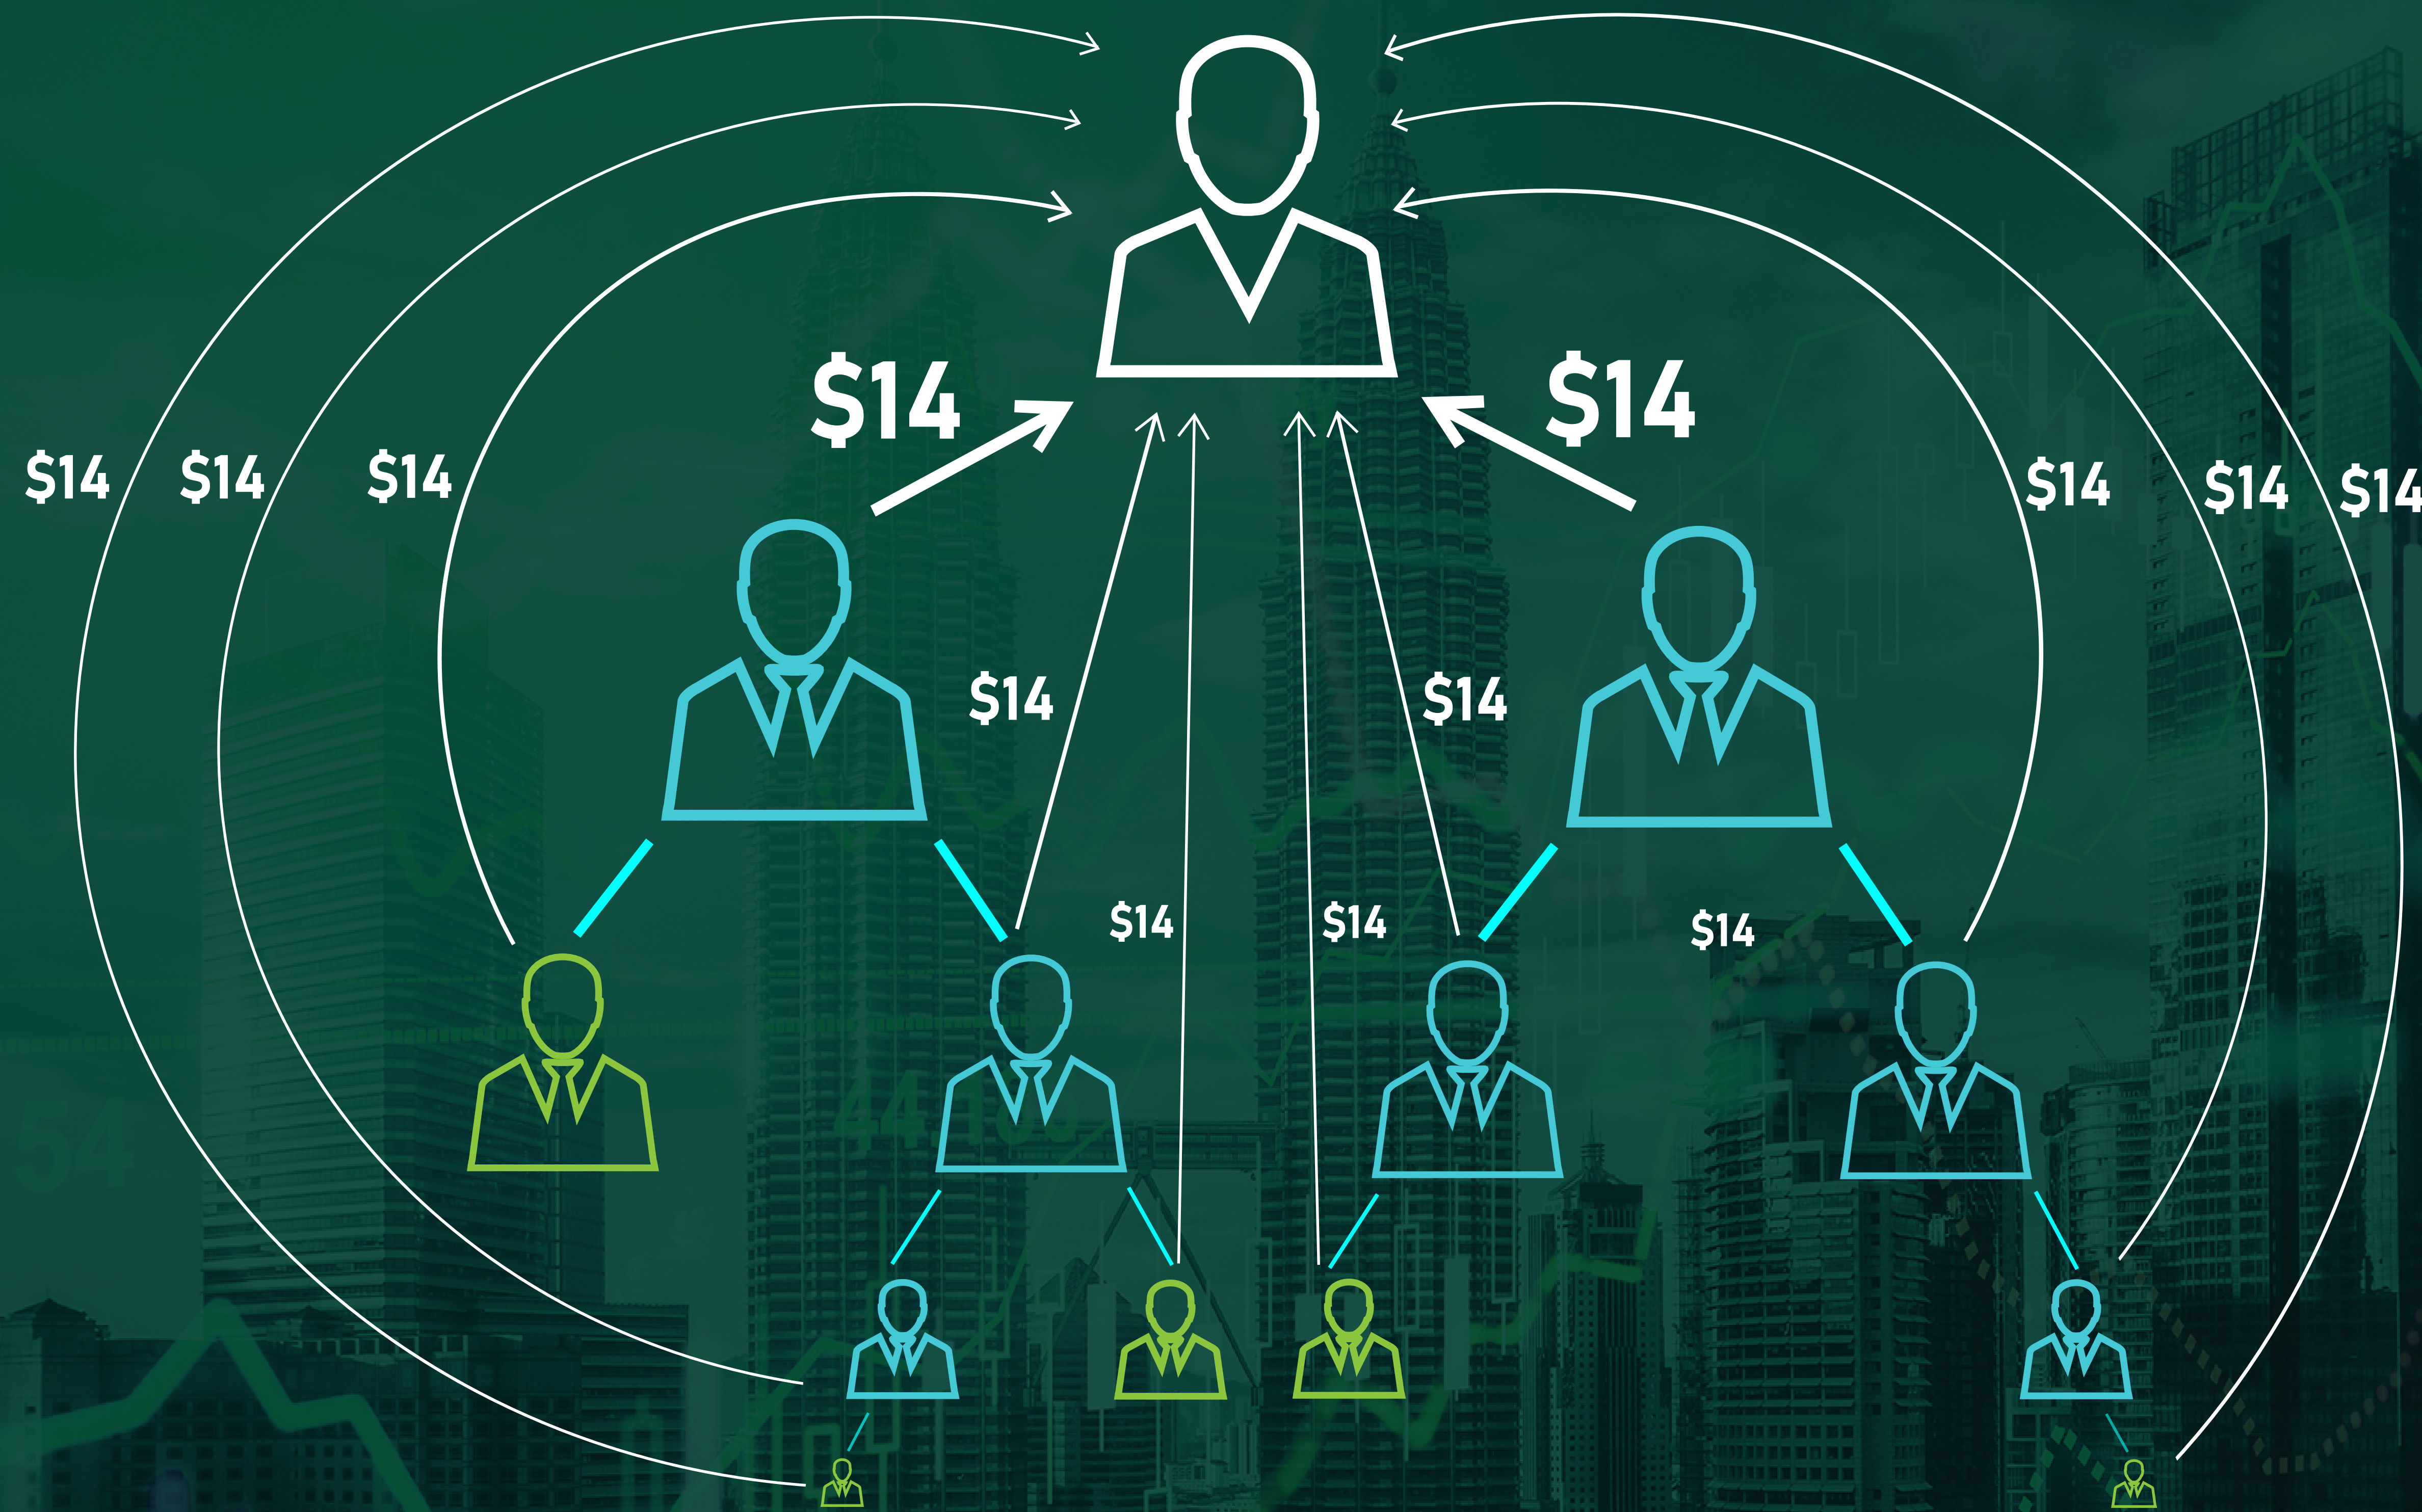

Example

Your sub-partner has **10 clients**, each client traded **10 lots EURUSD** on **Classic account**

$$(10 * 10 * 20) * 0.7 * 0.1 = 140 \text{ USD}$$

Number of clients	Total volume	Broker revenue	Revenue share	10% sub comission	Your profit
